## Latest Updates

### Amendments to the Positive Patent Examination Pilot Program for Startups

TIPO implemented the Positive Patent Examination Pilot Program for Startups in 2022. According to statistics from the past two years of project implementation (up until November 30, 2023), a total of 25 startups applied for the program in 2023, which marks a 3.1-fold increase compared to 2022. Approval rate surged to 100% in 2023, compared with 84.6% in 2022. The average pro...(more)

### TIPO's AI Chatbot "Tipo" Goes Live on Dec. 5!

TIPO is proud to introduce "Tipo," our new AI chatbot, which went live on December 5. Tipo provides 24/7, real-time patent consultation services to meet the needs of creators, who need quick and immediate answers. Since establishing the online service center in August 2011, TIPO has been offering consultations to the public for electronic applications, online pay...(more)
