TIPO Publishes the 2023 Compilation of Selected Court Decisions on Trade Secret Cases on Official Website for Public Reference

To promote public understanding of the development of trade secret judicial practices in Taiwan, TIPO has published the 2023 Compilation of Selected Court Decisions on Trade Secret Cases. 22 cases were selected by sifting through 67 civil and criminal decisions relating to trade secrets in 2023, and then examined and categorized based on key issues: the three elements of tra...(more)

TIPO Announces New Measures for the Accelerated Examination Program for Re-examination of Invention Patents (AEPRé)

The "Accelerated Examination Program for Re-examination of Invention Patents (AEPRé)" was implemented starting September 1, 2024 on a trial basis. When requesting for re-examination, if an applicant amends or deletes claims rejected in the substantive examination and maintains other claims, TIPO may accelerate the re-examination, helping patent applicants secure pat...(more)
