Latest Updates

TIPO's Revisions of the Patent Examination Guidelines Took Effect on July 1, 2024: Part II Chapter 1, 3, 11, 14 and Part V Chapter 1

TIPO has revised its examination guidelines for regulatory alignment, reflect changes in examination practices, unify interpretations, and improve examination quality. Revisions include additional examination principles and case examples, and apply to Part II "Substantive Examination for Invention Patents" (Chapter 1, 3, 11, and 14) and Part V "Examination of ...(more)
